DISTRICT CROSS COUNTRY

Congratulations to our district cross country team who trialled at Stirling East Primary School on Tuesday 1st June. Here's a report from one of our senior runners, Ella Huscroft.

This year's Cross Country has been run a bit differently as we did virtual and physical Cross Country. The whole school enjoyed participating in the virtual Cross Country run by Mr Grigg. Students ran different distances depending on their age on a set course at school.

The Hills District Cross Country was originally supposed to be held at Woodside on the 25th of May but was unfortunately postponed to Tuesday 1st of June due to stormy weather.

We did our run at Stirling East Primary School. 10-year olds ran 2km and 11- 13 yr olds ran 3km with the top 6 students from each division then going to the SAPSASA State Cross Country. It was a tough track, that's for sure!

Congratulations to the following students that attended weekly training with Ms Marsden, with the highlighted squad members attending the modified Hills District Cross Country trial afternoon at Stirling East PS. Thank you to Mr Grigg for his organisation and attending/marshalling the afternoon at SEPS.

HILLS DISTRICT NETBALL

PRIMARY SCHOOLS SA GOLF QUALIFYING TOURNAMENT

Last Tuesday June 2nd, four of our boys headed to Echunga Golf Course for the Primary Schools SA Golf Qualifier. The boys were fabulous and one of our parents shares this glowing report.....

The boys had a great day today. Older club members approached us and commented on how nice it was to see the boys in their school sports uniforms out on the green. The organisers were really impressed with how well behaved the boys were, and how respectful and encouraging they were to the other players – Vikki

On the 2nd of June, 4 of our students went to Echunga golf course to play in the Hills District Primary Schools golf tournament. The participants were Cooper Madsen, Max Lenger, Lucas Gierke and Henry Mott. When we arrived, we got into a 90-minute skill session doing driving, putting and chipping. After our break we started our 9-hole game, before we started we also got into groups of 4 the groups were: Max, Lucas and two other participants and the other group was Henry, Cooper and another two other participants. Then 2 and a half hours later we finished up. In the end our scores were:

Lucas: 44 Max: 54 Cooper: 54 Henry: 69

Overall, we had an awesome day and it couldn't be possible without Mr Grigg, Vikki Mott and Jennifer Vaughan.

Thankyou.

Lucas, Henry, Max L and Cooper M.
