## WINTER INDOOR SPIKEZONE 2023

The winter spikezone season came to an end on the last Friday of term 3. With two of our teams facing off in the grand final of the Year 5/6 girls' competition. Our younger team, Vegemite went down narrowly to the more experienced Chihuahuas. Vegemite put up a great fight and really put the pressure on their older counterparts. Congratulations to the Chihuahuas on the win and receiving the gold medal and well done also to our little Vegemites on the silvers!

## PE SESSIONS .... T-BALL

This term we have been learning t-ball and our year 3-6 students have been playing games. Ms Drago's class have drawn some pretty neat diagrams of what the field looks like....did you know that the distance between the bases is 27 metres on a professional diamond and that the pitcher pitches from 18 metres away! Thank you Hannah, Felix and Saskia for your designs. Our young ones have been having a go too – and there are action shots to share.

## COMMUNITY NEWS

One of these little champs celebrated her birthday at twilight soccer with a 1 nil win in the 'Wave Riders' first game of the summer soccer season at Bradbury. To make the win even sweeter, they topped it off with some birthday cupcakes!

Jumping on the Parkrun band wagon were Angela Brown and Claire Carter who last Saturday competed in the Cleland Parkrun. It was Angela's first parkrun and Claire's second and they both smashed it. So good to see children gravitate towards running, it is sooo good for you kids!
