

ALDGATE PRIMARY - WEEK 6 TERM 2 SPORTS REPORT

PREMIER'S BE ACTIVE CHALLENGE 2023

The Premier's Be Active Challenge is underway for 2023 with the majority of classes getting a start. Our objective in 2023 is for 100% completion, so we are again in the running for the \$1000 grant. Get to work everyone and get active!

Congratulations to **Orla Chhabra** for being the first student to complete the challenge in 2023!

Well done to Mr Wyett's class for being the first class to complete the challenge.

STATE CROSS COUNTRY CARNIVAL 2023

On Thursday, Emma de Haas, Sidney Richards, Shannon Laheen, Neve Faber, Daisy Rolfs and myself represented the Hilols district up at Oakbank Racecourse for the SAPSASA State Cross Country Championships. Our group shone on the big stage, they were a dynamic team within a team. All of our team achieved personal bests, placed highly and raced with resilience. Emma de Haas had a huge day. She came first in the state in the 10 year old girls category – an amazing personal achievement Emma, congratulations. Looks like you may have booked yourself a place in the state team. Good luck Em! It was great to see our parents brave the elements up at Oakbank too, thank you for facilitating them on the big stage

KNOCKOUT GIRLS NETBALL 2023

With a wildish weather forecast on Wednesday our 1 knockout netball encounters were switched to St Francis de Sales in Mount Barker to check warm and dry. Our opponents for the round one matches were Crafers, Oakbank and Nairne and coaches Jade Somerville and Bri Carter lead our girls and enjoyed a big day on the court. In game one against Crafers, the girls managed a solid 38 to 15 victory. Game two saw us take on Oakbank and we were far too strong winning 46 to 6. The third and final game we played Nairne. If we win this game we progress through to round 2. Nairne stretched us a little and were the best team by far, with our girls holding their nerve to take home a close one 25 to 17. Thank you to Stacy de Haas and Bianca Evans for assisting their team with scoring, timekeeping and oranges on the day. Special thanks to Mel Grant who was our volunteer umpire on the day – what a star! Here's one of our coaches, Bri Carter with a brief report on proceedings.

On Wednesday the girls netball team headed to St Francis de Sales for the first round of knockout netball. From the first game, the girls came out and played their best netball. Their effort and resilience was great to see and the support they showed each other was a big part of their wins. The first two matches against Crafers and Oakbank were a great show of their abilities and teamwork. We played our game and went for every ball to finish both games with convincing wins. In our final match of the day the girls came up against Nairne. The whole game was fast paced, both teams capitalising on sloppy passes and loose balls. The goalies at both ends shot with accuracy so the game was to be won in the midcourt. In each quarter the girls were able to get critical intercepts, which extended our lead at every break. Coming into the last break, the girls knew they had to play ten minutes of skilled netball and they did not disappoint. I am very impressed with how well the team played and look forward to round two and what the girls can achieve. **Bri Carter Co-coach**

Game 1 - On Wednesday we played knockout netball at St Francis de Sales College. The first game we played against Crafers. The score was 38-15 our way. We worked well on getting in front and finding space.

Game 2 - In game 2 we played Oakbank and it was a lot more running and we got a lot more intercepts. We found space really well and won 46-6. Our passing was on point and we were doing great leads.

Game 3 - Game 3 was a lot harder, the Nairne girls were taller and more aggressive to the ball and we had to change the way we play to get in front. We won 25-17. Overall, we were successful and won. We had a great day and we are through to round two. **Meisha Summerill (captain) and Molly Booth (Vice Captain)**

As part of reflection on the games, coach Carter and Somerville asked for the girls to provide their positives and negatives from each game – here's Meisha's thoughts:

Crafers – Positive: leading, attacking and passes. Work on: Defending, stepping and contact.

Oakbank – Positives: Pressure, passing and defending. Work on: Attack, shooting and leading.

Nairne – Positives: Defending, leading, getting in front. Work on: Stepping, leading and attack.

KNOCKOUT BOYS FOOTBALL 2023

Last Thursday our boys headed to Mount Barker for the round 1 knockout clashes with Mt Barker South and Meadows Primary Schools. The weather was perfect for footy and the boys were relishing a day away from the books with a tough day of football. Our game plan for the day was simple; contest all 50/50 balls, kick long, defend when we didn't have the ball...tackle and have fun.

In the first match we were up against our close rivals Meadows. Meadows won the first game against Mount Barker South so if we could match it with them, we knew we might be able to notch up a win for the day. The boys started the game well, with our midfield winning the centre clearance and driving the ball long in to our forward long. Our little pocket rocket Austin bobbed up and took a mark, then went back and scored the goal. This passage set the tone and the boys got their confidence and stuck our game plan. The most satisfying thing to see was how well the boys contested the balls in dispute – we dominated the clearances and tackles. Meadows had some big and handy players but our boys weren't intimidated. After four solid quarters the scoreboard read, **Aldgate 5.5 to Meadows 0.0**. Goal scorers were: Austin, Pete, Eli, Angus and Henry D. **Tackle count: 62**

Game two was up against our hosts, Mount Barker South. The game was a scramble with Mount Barker South getting a lot of numbers around the ball. Eventually Aidan got the ball rolling with a good goal, giving us an early lead. It was a low scoring game at half time, with our boys kick 2.4 to 0.0. We were dominating possession though and the boys were told that if they stick to our plan, the flood gates would open and they did. We kicked 5 third quarter goals, with Hayden sizzling in the forward line. Eventually we ran our comprehensive winners, **Aldgate 10.6 to Mount Barker South 0.1**. Goal scorers were: Aidan, Hayden, Henry S and Henry D with two goals, Chase and Zach got one each. **Tackle count: 55**

Overall our boys enjoyed a great day out of the classroom and were pumped to get the wins. There were so many positives from the games, well done team. A special mention to our assistant coach Asher for keeping tabs on our tackles. Thanks also to Felicity, Belle Angus and Michael Warburton for coming to assist our lads, and to our other wonderful parents for cheering from the sidelines. Round two is now confirmed. Road trip to Murray Bridge to play St Joseph's MB and Bordertown. Here's a captain's report from the encounters.

Today the Aldgate Primary knockout football side travelled to Mount Barker to play against Mount Barker South and Meadows. We played at the Hanson oval. We were lucky to win both of our games. In game one we played Meadows and got off to a fast start, kicking two goals in the first quarter and finishing with five for the match. Our teams highlight in this game was the tackling and moving the ball forward. The second game we played Mount Barker South. We were a little lazy at the start but our game turned around quickly after the first quarter. We ended up kicking 10 goals to Mount Barker South's 1 point. It was a big win and we all had a blast and we now move on to the second round. We can't wait.

KNOCKOUT GIRLS FOOTBALL 2023

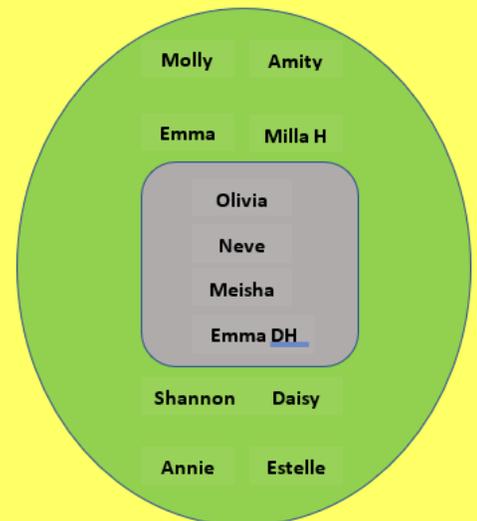

A couple of wins is the objective for our girls knockout footy side in a road trip to Murray Bridge next Wednesday. Their round 1 matches are against St Francis de Sales and Unity College. Good luck to the girls who have made selection. The team looks pretty good on paper. Good luck girls.

COMMUNITY NEWS

A few little champions in the making. Enjoying their first AUSKICK season at Stirling Oval are our legendary receptions Bowie (bit of Darcy Fogarty about him), Rollo and Asher. Good to see them chicken winging the ball!

Girls just wanna have fun! Molly G, Kayla, Saoirse and Scarlett lapping up the sunshine with their div 2 Aldgate netball side.

Getting into some park runs is Alice Burns – she ran 1200 metres with mum last weekend – great work Alice!
