LIGHTNING CARNIVAL 2023

Our year five and six students are off to St Francis de Sales on Wednesday 13th September in week eight. Our children have nominated to play basketball, soccer and netball on the day. All of our children are expected to play on this day so please keep an eye our for the permission slip on EDPASS that was distributed today.

GIRLS SCHOOL SPORT KNOCKOUT FOOTBALL FINALS SERIES 2023

Our girls headed to West Beach yesterday to play off in a semi final against Stella Maris School to find out who who make it through to the grand final in the statewide knockout girls football competition. In the lead up to the game our girls were dealt a nasty blow, losing two of our original squad members who were ruled out with untimely arm fractures. However, this gave a couple of other girls opportunities to play and we knew we would have a battle on our hands to take it up against bigger schools from across the state.

The semi final against Stella Maris was a tough encounter, with big bodied opponents, being quite brutal in the tackling department. Our girls got bumped and bruised but our endeavour did not waiver. We kept persisting and worked hard to remain in the contest, with the tackle count again being the measuring stick. Eventually, Stella proved to be the better team

outscored our team by a considerable margin and with a few battle scars. Stella Maris were the eventual winners on the day, proving they were a force to be reckoned with by winning back to back titles.

After a well deserved break, our girls were now in the play off with Woodend Primary for 3rd place. We went in to the game with another two of our older girls ruled out due to injuries from the semi final. This game was a much more even game with the ball travelled to and fro between the fifty metre arcs. Woodend were able to capitalise on more of their forward entries and after four hard fought quarters, were victorious 11.9 to 2.3. Our goal scorers were Milla and Meisha, with all of our girls contributing well. Our team was well led by Daisy in the backline and Meisha's drive in the midfield was relentless. Milla Hersey had many magic moments in the forward line and Emma Grant definitely found her feet as a defender.

In conclusion, our girls gave their all and it was a gigantic effort to finish in the top four in the state. It was such a great experience for the team and that they should come away from the competition, with their heads held high. Well done girls. Thank you to all of our families again for coming to support the team on the day and throughout the knockout competition and also to Felicity Godson for being our fantastic team manager.

NATIONAL CROSS COUNTRY CHAMPIONSHIPS 2023

Last week Emma embarked on her mission to the National Cross Country Championships in Canberra. Emma ran her heart out and came very close to a podium finish. She finished 5th in Australia which is a seriously significant feat. Congratulations Emma – you are an amazing athlete, we are so proud of you!

On Friday morning I caught the plane with my team to Canberra for my first National Cross Country Championships. When we arrived at the event, we walked the track and had the opening ceremony. I was feeling both excited and nervous. My race was early on Saturday morning and I raced 2 kilometres against 42 other girls and came 5th. I was proud of myself and my new personal best of 7.23 minutes.

After, I got to go to a disco with all of the other states and on the next day we got to go to the Museum with my team. I also went to Parliament House with my dad.

*On Monday we had relays where we all had to run one kilometre each. I had the best experience and I really appreciated the support I got from my family and my school friends. **Emma de Haas***

STATE ATHLETICS 2023

Congratulations to Pete Biven (shot put and discus), Holly Faber (shot put), Emma de Haas (200m, 800m 1500m) Olivia Hamilton (discus), Zach Clark (relay), Neve Faber (high jump) and Cora Hollamby (high jump and relay) for being selected in the Hills athletics team who will be competing in the State Athletics Championships at State Athletics Centre on Tuesday 19th Spetember. We look forward to seeing how our team performs on the big stage at Mile End and wish them all well.

STATE GIRLS SOCCER CHAMPIONSHIPS 2023

In week four we had Estelle Underwood, Cora Hollamby, Tenisha Robertson and Mr Richards represent the Hills district at the soccer state championships. They had a great week chasing the ball up and down the pitch at Gepps Cross Sports Park. Here's a great write up from Tenisha with her insights of the carnival.

*On August the 16th to the 18th of August Cora, Estelle and I participated in the SAPSASA soccer state championships at the FM Service Stadium at Gepps Cross. We played against year 5/6 students from across the state. We played 8 games. We won 2 games, drew 2 and lost 4. Our team was Hills. I enjoyed it so much. It was so fun (definitely more fun than being at school), except having your teacher as your coach. **Tenisha Robertson***
