LIGHTNING CARNIVAL 2023

On Wednesday, our year five and six students travelled to St Francis de Sales for the annual 'Lightning Carnival'. Our children were selected in teams playing basketball, soccer and netball over the day. It was the first time that mixed teams were introduced within soccer and netball. Many of our children were involved in these mixed teams and it was great to see the teams come together, drawing on team work and leadership over the course of the carnival. The lightning carnival's objective is participation and each team had four games on the day. Scores were not kept and it was a fun day in the sun. Thank you to our wonderful Mr Huff, Mr Richards, Mr Cale, Mr Strevens, Amber Waller and Jess Gardner for supporting the students at Mount Barker, it was a great day indeed!

Here's a quick reflection from Mr Huff's class – the pros and cons of the day.

Positives.....	Things that could be better.....
<i>Everyone had fun.</i>	<i>Lenient umpiring .</i>
<i>Our team worked well together, we were supportive.</i>	<i>A bigger footy field.</i>
<i>Lots of games.</i>	<i>We could have brought a couple balls to practice with.</i>
<i>Aldgate people supporting and watching.</i>	
<i>People filling in to other teams where needed.</i>	
<i>Everyone participated and got to try playing sports in a team.</i>	
<i>Very well organised by Mr Grigg.</i>	
<i>The students organised themselves and their teams really well.</i>	

STATE ATHLETICS 2023

Next Tuesday, 19th September, Pete Biven (shot put and discus), Holly Faber (shot put), Emma de Haas (200m, 800m 1500m) Olivia Hamilton (discus), Zach Clark (relay) and Cora Hollamby (high jump, 200m and relay) are competing for the Hills district in the State Athletics Championships at the State Athletics Centre. We look forward to seeing how our team performs on the big stage at Mile End. Good luck children.

HOT SHOT TENNIS CLINICS

Yeasterday, our reception to year 4 students had some 'Super Tennis' clincs led by Mr Shane Stokes. The students had a great time fine tuning their forehands, hitting a lot of balls over the net.

COMMUNITY NEWS

Mabel Hersey has been on the look out for a sport she loves and finally has settled on basketball. In her first season for the 76ers she has had a really fun time meeting new team mates and focusing on shooting hoops. She plays in the Mount Barker under 10s competition.

Tristan Vallance and **Zac Clarke** have been flaunting their skills for Adelaide Hills at the recent Country Soccer Championships in Broken Hill. Zach's team won his division whilst Tristan's team also had a very successful tournament. By the look Tristan's giving us, things got pretty serious up there in the Silver City!

It's been finals and end of season wraps for many of our winter sports and over the weekend many of our girls were involved in grand finals and various association presentations. Congratulations to all grand finalists and well done to any premiership players out there. A couple of notable individual achievements that have come to our attention have been the some best and fairest results. We've had three association best and fairests in the Hills Netball Association - **Holly Faber** (div 2 under 11s - 17 votes), **Neve Faber** (div 1 under 11s - 23 votes) and **Meisha Summerill** (div 2 under 13s - 21 votes). Congratulations girls, to be recognised by the umpires truly means you play with flair and are more than fair!

On the cheerleading scene, young **Erin Pickett** scooped the pool at the state cheerleading championships at the Entertainment Centre. Her team came in first! Wow, what an achievement to you and you team. Here's a brief wrap from our very own Erin.....

On the weekend I had a Cheer Comp at the Entertainment Centre and it was fun. I tried really hard and when my team were announced winners, we were really happy. On the way home mum told me that I was grand! Erin also produced a great persuasive text in English.....

Cheer is the best sport

*Cheer is the best sport because it is fun, cool and hard but it is fun. I look forwards to moving up levels. Cheer is about moving your body and working as a team. We do dance, pyramids, stunts with team mates, tumbling, motions and jumps like tuck jumps, pike jumps and toe touches. You get to do competitions and compete against other teams. We get to wear costumes. The costumes are glittery they have long sleeves, shorts, white shoes and socks. **Erin Pickett***

We've been talking about individual achievements at school and recognise that in team sports, these don't happen without your team and the team helps us improve. Team sports are so good to be involved in and it is so satisfying to see so many of our Aldgate children learning to be a part of a team in our community!
